

# Grammy-nominated THE INTERNET

**02 Academy**

**£25**

**The summer of 2018 saw the return of Grammy nominated collective, The Internet, with the release of their multi-dimensional fourth album, *Hive Mind*. The new project is both intricate and minimal and presents kaleidoscopic, neo-soul, future sounds that reveal the growth in the band's creative chemistry. Don't miss the chance to see their phenomenal live show as they return to the UK and perform a handful of dates.**
